

MARCH 29–31, 2011 • WASHINGTON D.C.

FEATURING

The ONLY Place You'll Hear From These Leaders & Visionaries

ADMIRAL THAD ALLEN

USCG (Ret.) National Incident Commander, Deepwater Horizon oil spill

NICHOLAS STEIN

Series Producer, Border Wars
All-time highest rated TV Series featured on National Geographic Channel

BORDER WARS

JANICE K. FEDARCYK*

Assistant Director in Charge, New York Field Office, FBI

RANDY VICKERS*

Director, U.S. Computer Emergency Readiness Team, National Cybersecurity Division, Department of Homeland Security

*OPEN ONLY TO CONFERENCE ATTENDEES.

5 PILLARS OF EDUCATION:

HOMELAND SECURITY

Covering terrorism, emergency preparedness, public health preparedness, border security and more. Meet field experts, see product demos from leading vendors, and learn best practices.

LAW ENFORCEMENT

Covering preparedness for unforeseen challenges presented by and for federal, state and local law enforcement. Explore hundreds of cutting-edge law enforcement products on the show floor.

CYBERSECURITY

Covering tactics to successfully protect against cyberterrorism and cybercrime. Find solutions within and outside the government to effectively address this critical issue.

EMERGENCY RESPONSE

Training and tools you need to respond to natural or man made threats to our government, communities and citizens.

CRITICAL INFRASTRUCTURE PROTECTION

Identify and examine the security concerns of our nation's key assets and essential services. Learn critical strategies to best secure these resources, including new technologies, physical resources, and risk assessment.
